**Trails End Company Incorporated is currently seeking individuals for
Customer Service/Yard Support – Wage Range \$16.00 - \$18.00**

This is a fast paced position in which successful candidates will serve the customer by preparing, stocking and loading bagged products and sod into customer vehicles while maintaining the company's positive image in a respectful and professional manner. The ideal candidate will learn to be well versed in all bagged products and maintains inventory levels based on product demand. The purpose of this job is to carry out a number of regularly scheduled tasks that directly support the sale of products in bagged quantities. In addition, the ideal candidate will initiate and/or implement corrective action as needed in order to be able to give an excellent standard of service, customer satisfaction and safety is maintained.

You are also required to provide support for activities including but limited to;

- A) Washing vehicles
- B) Sweeping floors, general area clean up
- C) Miscellaneous cleaning and painting
- D) Steel Toe Work Boots are required**

Working Conditions Customer Service/Yard Support

This job is primarily an outdoors activity in an area that has a considerable amount of activity from large trucks, heavy equipment and customer vehicle movement. Keeping work area orderly is important, as is following the safety rules of the company. Bag loading operation requires handling bags of up to 50 lbs. Use of good back management and weight lifting techniques required. The company expects individuals to be available to work between the hours 8:00 AM and 5:00 PM, Monday to Saturday. There is significant consideration for flexibility to work hours.
